

## What Is Available at ancestor.com

The website, **ancestorhunt.com**, has so much available! What are you looking for – obituaries, marriages, family Bible records, etc.? This is your place to begin! The site is mainly links to other sites or search engines and the search fields are simple to use. Every once in a while, Ancestor Hunt may lead you to a site where some payment, but this is rare. Also, it may locate the information, for instance, an obituary, but it must be ordered for a genealogical society or historical library and there is a charge for their service. It is still fantastic!
